

English Language and American Culture Summer Program

Spending Money

Parents and students may deposit spending money with our Business Office at the time of arrival or at registration. It may be spent at the student's discretion, but it is advisable that parents and students determine a **weekly allowance and budget for spending**.

Students will be allowed to request money on Wednesday of every week. However, often students are thrilled and excited with souvenirs of all the exciting places we visit and may overspend. In that case parents may wire funds directly to Bement's bank and we will give them to your child. **Please be sure to name the school as the beneficiary** of the money you are wiring.

Once you have deposited money in your child's account we will reserve \$75.00 to cover any expenses on the return flight. This will ensure that he/she leaves from Bement School with enough to spend in case of an emergency.

Greenfield Cooperative Bank
Greenfield, MA 01301
Beneficiary: Bement School
ABA Number 2118-7028-1
Account Number: 1-50-3001888
