

Parents' Association events

Volunteer sign-up sheet 2007 to 2008

We welcome the Bement community to join us in our efforts to support our children's educational experience by volunteering their time, talents and skills at Parents' Association sponsored events. You can volunteer for as many events as you would like. Anytime that you have to offer is appreciated. You will make a difference in each event.

If you have an event or fundraiser you believe would benefit our school or if you have questions about events already planned for the year, feel free to contact a board member. We sincerely thank you in advance for considering your availability for these events.

Board Members:
