Lower School Program Descriptions

Street Hockey w/ Mr. D - Max 14

Mondays

Grades 3-5

\$150

Street Hockey - If your child likes hockey then this is the option for you. The kids will play a full street hockey game each week in the barn. No experience necessary, come to learn and have fun!

Board Games w/ Jules - Max 14

Mondays

Grades K - 2

\$135

Get cozy during the cold winter months playing board games with friends. Students are invited to bring their own games or play what we have in stock!

Chess Club - Max 16

Tuesdays

Grades 3 - 5

\$135

Chess Club is a program that teaches much more than just the fundamentals of chess. Emphasis is placed on sportsmanship, fair play and learning from one another. If your child is a beginner, or more experienced, come check it out. Chess is especially helpful to young children teaching executive skills, decision-making and impulse control. Playing Chess exercises your brain.

Mini-Basketball w/ Mr. D - Max 14

Wednesdays

Grades 3-5

\$180

Mini Basketball - This is basketball in just a smaller version. We will be using shorter hoops and a smaller ball. The rest of the game is the same. Come play some hoops in the barn!

Movie Making - Max 10

Wednesdays - Beginning Jan. 4

Grades 3 - 5

\$135

Do you love telling stories? Are you always thinking of new ideas and ways to share them with friends? If so, join Ms. Bernard's after school movie making program! Learn how to use a storyboard, create and edit a movie and have fun while doing it!

Upper School Program Descriptions

Creative Writing Club 4:30pm - 5:30pm

Mondays

Grades 6-9

\$50

In the Creative Writing Club, we will celebrate and encourage those who are passionate about writing to express what is important to them. This club will strive to build a strong writing community at Bement and attract students who are interested in expressing their voices through writing. In weekly social meetings, students will endeavor to create pieces of writing to express opinions, critical thoughts, and creative ideas. Students are expected to engage and produce their own works of writing to share with the club and everybody will have a chance to share their work and gain feedback from peers and their faculty advisor. Please reach out to Ms. Carter (English teacher) for more information.

Upper School Robotics Club 4:30pm - 5:30pm - *max 20*

Thursdays

\$75

After school robotics will run on Thursdays during winter term with the help of a few students from Deerfield Academy. Students will learn how to program using the Lego Education Spike Prime Set along with the City Shaper First Lego League Challenge Set.

Early Release Study Hall 3:30pm - 4:30pm - *max 16*

Thursdays

Upper School Day Students (grades 6-9)

\$10/week

This is an extended day option for all upper school day students.
