

THE BEMENT SCHOOL

Fly on your own wings

Admission Office

As part of the application process, the admission committee asks that all applicants to grades three through five submit the full evaluation and recommendations of a Wechsler Intelligence Scale for Children (WISC-V). Testing is also required for students applying to grades six through nine. Results from a WISC-V or SSAT should be submitted to complete the testing requirement of the application process. If the student has been evaluated in the past, the WISC-V is preferable and the full evaluation and recommendations should be submitted. Families must make private arrangements for the WISC-V. Usually a school-based learning specialist or an educational psychologist administers the WISC-V. Testing fees vary. For your convenience we have listed the names of some WISC administrators local to The Bement School; however, it is not our intention to limit you to the names on this list.

Claudia Beldingreen, M.A., C.A.G.S.
Northampton, MA
